

Welcome Message to the participants of the 18th International Exhibition Lesdrevmash 2020

Dear exhibitors, colleagues and visitors to the exhibition, On behalf of the Russian Union of Timber Manufacturers and Exporters, I would like to welcome the exhibitors, visitors and organisers of the 18th edition of the Lesdrevmash international exhibition.

For the past period the exhibition has become the most prestigious discussion platform, participation in which gives an opportunity to study the progressive world experience and stimulate the introduction of advanced technologies in the field of timber engineering. The exhibition is traditionally attended by representatives of the federal authorities and relevant ministries, leading domestic and foreign manufacturers of machinery, and prominent industry professionals.

For over 40 years the Lesdrevmash international exhibition has been taking the leading positions in Russia and the CIS in the field of woodworking. It brings together the best samples of machinery, equipment, and the latest technologies for the logging, woodworking and furniture industries. Companies from different countries and from all over

Russia come to Moscow, at EXPOCENTRE Fairgrounds, to participate in the exhibition and demonstrate the latest achievements and trends.

I am positive that the exhibition will contribute to the recovery and development of the domestic timber engineering, international cooperation in this field, solution of such priority issues of nowadays as import substitution, modernisation and localisation of production and implementation of innovative technologies.

Let me wish all participants in Lesdrevmash 2020 fruitful work and good results.
